“ George will certainly be missed....just as Brenda is. They are together again. Brenda and George were at my wedding. She had asked me what we were doing for our honey moon. I told them we were going to stay at my grandparents' (Wanda and Morris Noles) home place and go turkey hunting....George said in George fashion," TURKEY HUNTIN??!!" Fond memories of them at first Sunday in May in Nauvoo. Loved them both. Sending prayers and love during this difficult time. Regina Noles West and family.
