“ I already miss her, so very much. Cindy was an inspiration to all who knew her. Even when she was diagnosed with cancer Multiple times, and even when she suffered terrible side effects from various drugs, she NEVER, EVER stopped praising Jesus. Not once did I ever hear her say, "why me" lord. I remember, before Donny died, how they used to "take turns" taking care of one another, because Cindy was always undergoing some type of treatment, and Donny had such back pain and other issues. I told her that my nickname for them was "The Overcomers", because that's exactly what they were! Now she and your dad are together again, and in the presence of Jesus. She fought a good fight, she kept the faith, and Great is her reward.
