“ Sympathy and prayers for this family. You all have been put through some hard times this last month. It's not easy to have to put to rest a Mom. But there's no more pain. She's walking the streets of gold. May God bless each and everyone of you. Especially Rick at this time.

So thank you mom for showing me guidance compassion unconditionally love the Lord and his ways you will truly be missed but forever in my heart And if I live another 20 and look like you as the nurse implied I'll take that to
