“ Dear Peggy, so sorry to hear of George passing. You and George were so sweet to Jimmy and I when we were first married and attended Calvert Baptist. George was always the life of the party and you would always just smile and say that's George. Love and hugs to you and your family.

“ Peggy, Matt and Laurie, I can't think of George without seeing his smile and hearing him laugh! How many miles did he drive that Calvary Baptist van for youth camps, ballgames and youth events? I'm so grateful for his life and legacy - and for the love shared with you all. To this day, he's my favorite Alabama fan to watch the Iron Bowl with! Sending so much love! Susan Morrow

“ We were building a house for the chicken man up towards littivile. Matt you and your dad were putting wire up under the house for a switch under the house or something. But y'all were arguing about something and all I could hear was GEORGE hollering OLD SCHOOL !! WERE GOING OLD SCHOOL!!

Over and over again. He was wanting it wire like he use to wire it I guess. I laugh everytime I think of that day. George was kneeling down with his head up under the house. It was a picture. That was a good day. I couldn't have a bad working with George and Matt. We spent a lot of days together. Always with me in memory. I lost my mother in 2-2-2018. I know the hurt and I'm so sorry for your loss. TAKE CARE

“ Dear Peggy, Matt and Laurie

This is Craig Conley. I went to Church with your family. During that time, the youth group went to Six Flags. George pushed me around in my wheelchair. I'll always remember that. Ya'll be in my thoughts and prayers.
