“ My sympathy to Stacy, Gina and all the family and friends. I can assure you the thing Harold was most proud of and loved more than anything in this world was his girls and his "Bonnie". He was a character and will be missed. He was a good neighbor and friend. He will be missed by the SHS Class of '56.

“ I remember always going to Pop and Nana’s and being so excited to drive the golf cart. I remember we even tipped it one time and instead of getting mad, Pop laughed it off and couldn’t believe we were even capable of that. He was always buying cool things for us to play with because he saw how happy it made us and how much fun we would have over there on the land off Volunteer Drive. Dirt biking for the first time over there was definitely a highlight. Pop had even installed a basketball hoop at his building across the road and I’m fairly sure he wasn’t much of a basketball player. Everything Pop did was for his family and we will miss him dearly. Pop was one cool grandpa, I can tell you that much. I sure hope there’s plenty of Gunsmoke to watch in Heaven because I’m not sure I’ve met someone who likes watching something as much as Pop and his westerns.
