“ Russ was a great man. I will remember him for his kind words and words of encouragement. As I was just a little fella playing mini midget, midget, and pee wee football, Russ and Mary Edna were kind enough to give me a ride alongside Matthew to and from our many practices as my parents weren't able to get me there due to their work schedules. Being one of the smallest players on the field, Russ would tell me on our ride home “you may be one of the smallest ones out there but you can be the toughest one out there”. I will never forget those and other kind words of encouragement that Russ would give me over those many rides to and from the ball field. God Bless to Mary Edna and Matthew.

“ Russ touched my life as a young teenager with the RA's at Church, camp outs, speaking fondly of our Lord and Savior Jesus Christ. A man for me to look up to. Theirs a piece of my heart missing to. But joy also fills my heart cause I'll see him again. It want be long. He was a blessed man. Giving man and brother in Christ
