“ I met Jeffrey when I was 12 years old through Jimmy. Jimmy and I learned guitar together. Jeffrey would drive him to and from my parent's house for practice in an old red primered Chevrolet pick up. I can't recall Jeffrey not being goofy or making you laugh about something. He always went out of his way to speak to me when he'd see me over these last 24 years since first meeting him. He'll definitely be missed

“ I wish I had all the pictures of us together but this is the only one if have of just us on my phone the rest are on my moms :(Jeffrey was an amazing soul. I'll never forget the day he and I went for a car ride together and just talked about life and so much more. He never failed to make someone smile or make an adventure out of something. He would take my boyfriend to the back of the woods by his house to go squirrel hunting and bird hunting he'd always say it was so Waylon could eat good. I found the family tree necklace he got me and my sisters for Christmas this year. Even though we weren't blood he made sure to make us feel like we were his own. We loved Jeffrey and always will. Prayers for all the family and friends of Jeffrey

“ We have always loved fishing, but he was always the better fisherman.... If I ever missed a fish, he had his bait there before I could get a new one on. And he usually caught it . We had planned to go last Saturday, but the water was still too high from all the rain. I miss him already, today was perfect fishing weather.

Lamanda - April 08 at 11:05 PM

“ Jeffrey lived his life with no regrets. He loved his kids and family & did anything for anybody. He was so full of life. Always had the best stories and a laugh to go with it. I am sure going to miss him.
