“ When I think about my dad one of the biggest memories I have is what a huge heart he had. I remember all the bike rides we did together and how much he loved his family. We always did toy run at Christmas and I think about one time we didn't get enough bikes for the kids and my dad went and bought about 25 bicycles so all them children could have a bike for Christmas. He was the most giving man you would have ever met. He was the best dad anyone could ask for and I'm so thankful God choose him to be mine. I will miss him everyday till we are together again.rest easy dad you deserve it I love you with all my heart!!!
