“ Buck will be greatly missed by all who knew him. Bitter Branch will never be the same. Another of the good ones gone. He always had a smile when we saw him & loved spoiling the kids, his or anyone else's that came to his house. Love & prayers for Patricia & the family. Beth & Lee Montgomery

“ Buck was a once in a lifetime friend that will be sorely missed. More like a brother to me. He was one of the few people that I have known over my lifetime that would give you his last dime if you asked for it. One of the hardest working men i have ever worked beside. I will really miss my friend Mark Wood

“ Everyone needs an “Uncle Buck” In their lives. I’m so glad to have had mine! He will always hold a special place in my heart! Right next to my Dads! Love you Uncle Buck thanks for always being there for your family!!

“ We are so lucky to be a part of this family and to have an Uncle Buck! He was always willing to play with us kids when we were little and it continued on as we had our own kids! I remember when he took the kids on a ride in a go-cart and they had a blast and then he even let them "drive" it in the yard - they thought they were big stuff! And then as they got older he'd let them come and target shoot on his property and ride the four-wheelers - what wonderful memories he created for all of us. Loved listening to him and mom talk about growing up and all the adventures they had down in the holler. On top of all of that, he was always so good to my mom (as he was to all his siblings I'm sure), making sure she got in and out of the car and house okay and just generally making sure she had what she needed. We were all so blessed to have him in our lives. My heart aches for Aunt Patricia, Tim, Cindy and the grandkids, but you should all be so proud of the legacy he has left behind - what a genuinely wonderful man! He will be sorely missed. We love you all!
