“ I have so many fond memories of Donald from when I was a teenager. We all called him Duck back then. His home was the gathering place for us kids to play basket ball, ping pong and card games and in the fall it was touch football. Duck had an old blue Dodge pick-up truck. He would gather up the boys from miles around in the bed of that truck to play football at Mr. Scots field on the corner. He had a bunch of dogs that used to chase us around from one house to the other until they would at last run out of steam. The picture of those dogs chasing us and barking with excitement that almost matched the excitement of us boys on our way to the big game is still after all these years perfectly clear in my mind.
Duck was a big part of all our lives always encouraging us to do what was right. I dare say that many of us wish we had heeded his encouragement more closely. Truly a kind and decent man what a wonderful legacy.

“ So very sorry to hear of Mr. Witt's death. I only knew him from the fact that he has done my state and federal taxes for the past thirteen years. He was such a fine, pleasant and kind person, and always had an interest in those he served. I always looked forward to seeing him each year when tax time came around, and I will miss seeing him now. I offer my condolences to his family as I know they must miss him terribly.

“ Robert (Donald) as we called him has been a part of my life since we were children. Reeder & Geneva & their children were like family to ours. Judy & Ronald were special to me too. I'm so sorry Robert has passed but he's with Jeanette & his loved ones. He did Paul & my taxes since we married in June 1968 & was always such a sweet friend to us. RIP dear friend & give my darling Paul a hug for me, I'll see you both later. My deepest sympathy to all.

“ What a blessing to work for this Sweet Man . When I first started working at Robert Witt Tax Service in 2011 I was a little afraid to ask questions and I would always go to Anthony first I guess because Anthony is younger than me and I wasn't sure if I was doing things the way I thought Robert would want them done . I was wrong this Man was the sweetest kindest caring man I could have ever worked for and I Am Thankful for being blessed with sharing 9 years of my Journey of life with him . Go Rest High Upon that Mountain Robert !

“ I'm so thankful to have known "Papaw Witt." I have grown up in Florence with the Bradley home as my second home. He sold me my first car...and came and got me from my first car accident. I was so thankful for every time he took us to Ryan's after a volleyball game and made us laugh when he asked about our nonexistent boyfriends. I'm glad I got to introduce him to my husband. I'm not sure why I was nervous because Papaw is the kindest person I ever met. He treats everyone the same, whether it was Bill Gates or someone begging for a dollar. He's the greatest man I've ever known and he is SO loved.

“ My taxes were prepared by Robert Witt's business many years while living in Florence. I now live in Decatur and prepare my own taxes. He answered a couple of questions I had about tax preparation since then even though I was no longer his customer. He was so knowledgeable, nice, and willing to help. My thoughts are with his employees, family, and friends during this difficult time.
