“ I remember Susan as a force to be reckoned with. Her personality was always one of determination and sheer will-power. If she set her mind to it, it would be done. You didn't mess with Susan or her family. She was a fierce ally. You wanted her on your side.

Susan also carried kindness. She always met me with a genuine hello. She loved each of Leigh Ann's friends as her own and she took care of us when we were young.

I remember what love she had for Leigh Ann. Leigh Ann was her absolute world. This love boiled over and reached out to Leigh Ann's friends. Myself, along with Bobby Lewis, & others were always welcome in her home. She often made it a home for all of us. She made sure we had something to eat or a place to stay. She had a heart of gold.

Her love and kindness will live in my memory forever.
